

## SUMMARY

Seeking a software development role to enhance my skills and contribute to organizational growth. Proficient in advanced software development, data structures, and algorithms. Actively participating in seminars and workshops to further enhance technical skills.

## SKILLS

### Technical skills:

- \* JavaScript (Basic proficiency)
- \* MySQL
- \* Data Structure and Algorithm
- \* Excel
- \* Core Java

### Programming languages:

- \* SQL
- \* JavaScript
- \* JAVA

### Soft skills:

- \* Project management
- \* Leadership qualities
- \* Emotional intelligence
- \* Work ethic

## EDUCATION

### Bachelor of Engineering in Information Technology

Jan '22 - Present

#### Sipna College of Engineering

Amravati

- Current coursework includes advanced software development, data structures, and algorithms.
- Actively participating in seminars and workshops to further enhance technical skills.

### Diploma in Information Technology

Jan '19 - Jan '22

#### Government Polytechnic

Amravati

- Focus on software development, networking, and database management.
- Completed projects on web development and application programming.

### Secondary School

Jan '18 - Jan '19

#### Sharda Kanya Vidyalaya

Amravati

- Emphasis on science and mathematics.
- Consistently achieved high academic performance.

## PROJECTS

### Android Application(mini-project)

Oct '23 - Dec '23

#### Ikshana

- Developed an app to assist visually impaired users by integrating voice-over chatbots for user interaction. Utilized technologies such as Java, Kotlin, Android Studio.

### Luminosity Drone (e-yantra)

Aug '23 - Mar '24

#### IIT Bombay

- I contributed to a self-driven drone project by developing basic Python code for flight simulation in Gazebo, enabling the virtual drone to reach its set destination.

### Online Bus Booking

Jan '22 - Mar '22

#### Government Polytechnic , Amravati

- Discover EasyBusBook: Your hub for hassle-free bus bookings. Enjoy real-time seats and 24/7 support.

## OTHER AWARDS & ACTIVITIES

### State-Level Coding Competition

Mar '24 - Mar '24

#### Sipna COET

State Level

Participated CODORITHM-

### Web Design event

Jan '23 - Feb '24

#### vidyotan

Student Coordinator at

### inter-college dance competition

Feb '24 - Feb '24

#### Sipna COET

Participated in

## Robotics Competition

Aug '23 - Mar '24

IIT Bomaby

Participated in

## CERTIFICATES

---

Software engineering Virtual Experience Program

Jan '23 - Feb '23

Vidyotan

Data Structure and Algorithm

Aug '21 - Sep '21

Compilers

Java programming language

Jul '21 - Oct '21

Compilers

C programming language

Jan '20 - Apr '20

Compilers

## COURSEWORK

---

- Problem Solving
- Data Structure and Algorithm
- Big Data Analytics
- Software Project Practices
- Operating System
- RDBMS

## EXPERIENCE

---

Web Design

Nov '21 - Feb '21

Internshala

Online

Developed an understanding of web page design and backend management.
